

King County

Department of Transportation
Road Services Division**ROAD CLOSURE ALERT**

County to close part of West Snoqualmie Valley Road NE to all traffic for 3 weeks

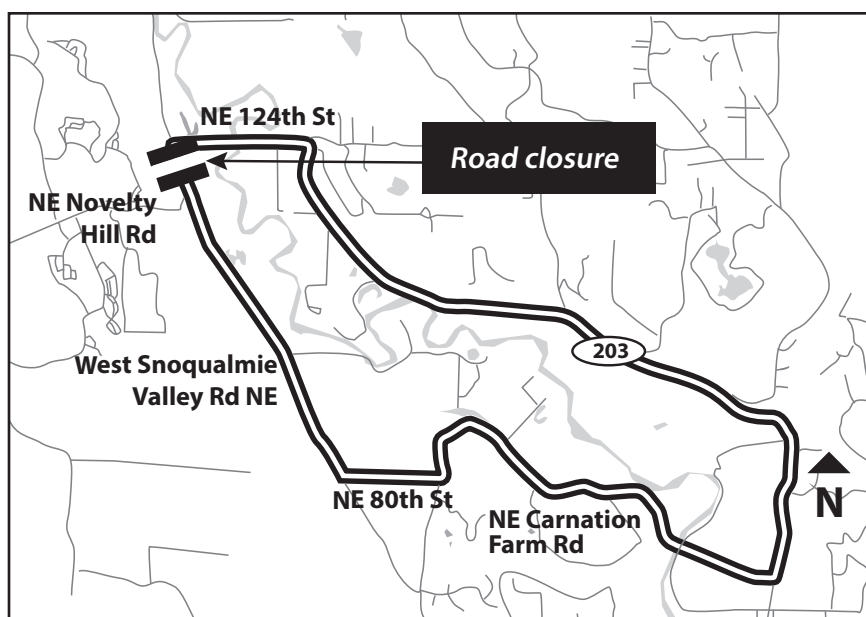

Beginning at 6:30 a.m. on Monday, Oct. 5, King County's Road Services Division will close both lanes of West Snoqualmie Valley Road NE just north of NE Novelty Hill Road.

The closure is expected to last for three weeks. It will allow the county to repair damage from a 2014 landslide that undermined the road. A temporary repair after the slide allowed both lanes of the road to remain open while the county prepared for this full reconstruction.

This project will:

- Remove unstable soil
- Build a retaining wall
- Reconstruct the roadway
- Install guardrail
- Plant native vegetation

Detour map

What to expect

The county will post detour signs to alert travelers to the closure and guide them along the recommended detour route (see map).

For safety reasons, the road will be closed to *all traffic*, including pedestrians and bicycles, in the project area. The construction site will be fenced with a locked gate.
